Scholarships & Awards Distribution Programme at Hill Memorial High School under Adopted Schools Initiative

Scholarship Distribution Programme was organized at Hill Memorial High School on 16th December 2019. This school is sponsored by Sud Chemie. Ms. Surekha Grover, Ms. Jyotsnaji, Mr. Shaikh and Mr. Rajput not only remained present and graced the occasion but also very actively participated through the event. Also, a large number of esteemed members were present to motivate the students.

Boy students of the School began the programme with a melodious prayer of Jesus and Christmas. Principal, Mr Dabhi then welcomed all guests and appreciated consistent support by Sud-chemie for Hill Memorial.

Surekhaji and Mr Shaikh addressed the students, stressing the need for total focus on education as also wishing the students very best for their future carrier. Mr. Rajput shared his personal views with students for better results and memories with school as he is an ex-student of this school. Dr Jain Sir specifically mentioned the relationship of MFT and Sud-chemie and expressed sincere appreciation for the long term support from the company. He also inspired students and briefly mentioned some initiatives of the Trust. Vice-Chairman Respected Shri Sanjay Kothari stimulated students for their bright future while addressing them. He particularly explained the contents of the new project "Marg Darshan" which could make students aware of future options.

During the programme, total scholarships & awards of Rs. 1,39,000 were offered to 85 students. The event ended up successfully with a vote of thanks by the school.
